

## STUDENT FEES

LOCAL and CARICOM Student Status - Student has permanent resident status for Saint Lucia or CARICOM country.

**REGISTRATION FEE** - Local, CARICOM and International Applicants - XCD\$270 or US\$100

The registration fee is payable upon submitting an application and is a non-refundable, per student contribution. This fee ensures the processing of the application for admission of a new student or of a student returning after an absence from ISSL of one year or longer. ISSL accepts students all year round pending space availability and registration acceptance. To better guarantee acceptance into ISSL for the following school year we recommend interested applicants register before 15th April.

**ENTRANCE FEE** - Local and CARICOM Students - XCD\$2,700; International Students - US\$2,000

The entrance fee is a non-refundable, one time, per student contribution. Payable upon admission to ISSL. Students who are accepted for admission are entered into the school immediately, if a place is available. An offer of admission must be taken up within 21 days by the payment of XCD\$2,700 or US\$1,000 towards the Entrance Fee. This amount is non-refundable. If the student is not coming immediately, the payment must be paid in order to keep the place for the student. This payment is applied to the Entrance Fee Invoice as a payment against it. Admission will not be complete or guaranteed until all documents are complete and this payment has been made. This fee is a general investment made by all students to ISSL, non dependent of period of enrolment, to enable ISSL to maintain teacher qualification requirements as set out by the Ontario and New Brunswick systems for which there is a significant above country average cost.
